THE READ THE BIBLE FOR LIFE ONE-YEAR CHRONOLOGICAL READING PLAN

In the plan that follows, the material of the Bible has been organized to flow in chronological order. Since exact dating of some materials or events is not possible, the chronology simply represents an attempt to give you the reader the general flow and development of the Bible's grand story. Some passages are placed according to topic (e.g., John 1:1–3 in Week 1, Day 2; and many of the psalms). There are six readings for each week to give you space for catching up when needed.
